Nebraska youth Conservation Program

What is it?

In May 2011, the Governor signed into effect the Nebraska Youth Conservation Program also known as Legislative Bill 549. The goal of this program is to conserve and develop natural resources through the employment of Nebraska youth.

The Youth Conservation Program offers a unique opportunity to understand and appreciate the environment while employing at-risk youth to become knowledgeable of the upkeep within the State Parks and to develop into productive adults.

Why Should YOU Apply?

Gain experience in landscaping, trail development, painting, vehicle maintenance, and so much more.

Get paid:

- Crew members will start on June 25, 2012 and will earn \$7.35 an hour.
- Crew leaders will start on June 18, 2012 and earn \$14.89 an hour.

Eligible Crew Members

- Age 16–20
- Resident of Nebraska
- Unemployed
- Low income or receiving public assistance
- Impacted by substance abuse or physical abuse
- Negative contact with law enforcement
- Not experiencing success in school and is in jeopardy of dropping out

Eligible Crew Leaders

- Age 21 or older
- Experience working with youth in a counseling or team building environment
- Valid Nebraska Driver's License

If hired, we provide...

- Lunch
- Transportation to Worksite
- Gloves & Uniforms
- Equipment
